Auriant Mining AB (AUR) is a Swedish junior mining company focused on gold exploration and production in Russia, primarily in Zabaikalye and the Republics of Khakassia and Tyva. The company has currently four assets, including two operating mines (Tardan and Solcocon) and two early stage exploration assets, one of which, Kara-Beldyr, is a joint venture with the major Canadian gold producer Centerra Gold. The group's mineral licenses are estimated to contain almost 1,000,000 troy ounces of gold reserves according to the Russian standards (GKZ).

Since July 19, 2010, Auriant Mining's shares are traded on First North Premier at the NASDAQ OMX Nordic Exchange under the short name AUR (before June 25, 2012 - under the short name CAG).
